

Fuel Up to Play 60 is turning Garden Lakes' students into Super-Powered, Active & Healthy kids!

Our Fuel Up to Play 60 Student Ambassadors have taken the powerful message, "EAT Healthy, Get Active, and Make a Difference," full throttle this school year to our students and community!

We would like to give a BIG congratulation to BreElle Mitzen, 5th Grade, for winning the Fuel Up to Play 60's "STATE Ambassador" title for Arizona. She will be traveling around the state next school year to help share about this awesome program and get other schools and students excited about being active and healthy!

A huge thank you to our site Student Ambassadors: Adrienne McCloskey-8th Grade, Antonio Bustraan-8th Grade, Nicholas Delgado-5th Grade, Samarra Solomon-5th Grade, and Jacob Bauer-5th Grade.
