For Immediate Release

Pendergast District Celebrates 12th Annual Aviation Day at the Capitol

Students from the PESD Aviation Academy to be on hand to present

Phoenix (January 12, 2017) – Please join the members of the [Civil Air Patrol](#) and Arizona legislators for the 12th Annual Arizona Aviation Day at the Capitol lawn on Tuesday, January 17 from 11:00 a.m. – 1:00 p.m.

The mission of Arizona Aviation Day at the Capitol is to inform the legislative members and staff of the Arizona State Government about the benefits and economic impact of aviation within the State of Arizona. The mission also introduces these individuals to the significant contributions made by the many businesses, organizations, and associations, which support aviation in their communities and throughout the State.

The Civil Air Patrol will have a have reserved a display area to highlight the mission of their programs and how they impact local schools. A major focus of the display will be Aerospace Education and the Pendergast District Aerospace Academy at Desert Mirage School. Students will be there to display their projects and converse about what they are learning.

Angelo Rossetti, one of the organizers of the event and sponsor of the Aerospace Academy at [Desert Mirage School](#) shares, “We are very thankful for the opportunity to showcase the importance of the Aerospace Industry to the future of Arizona and proud of the students from the Desert Mirage School’s Aerospace Academy. They are setting their sites on careers in the Aerospace Industry and getting a great

head start through their education in the Pendergast District. We look forward to sharing their projects and plans for the future of technology.”
