

Catering and Menu Guide
Ordering Guidelines and Information

Welcome

Charlie's is pleased to present its Catering Event Planning Guide. It is designed to assist you in planning special events and includes our most popular menu items. Please remember this is just a small example of services we provide. We are always happy to work with your budget and welcome your menu ideas.

Booking Deadlines and Guarantee

A guaranteed number of guests attending the event is required four (4) days prior to the event, after which time guests counts may only be increased. If the guaranteed count is not received by the deadline, the count most recently discussed will be considered the guaranteed count and the final invoice will reflect that count.

Cancellation Fees

Cancellations within 48 hours of the scheduled event will incur a 30% cancellation fee to cover all costs incurred by Charlie's Catering.

Carrying Food Out

The current Maricopa County health code states:

All foods offered for customer self-service (i.e. on a buffet or similar means) or displayed in a manner as to easily contaminate shall be protected from such contamination by the use of packaging, food guards, display cases or other effective means. In addition, foods that have been offered in this manner shall not be used for human consumption upon the completion of the event. In short no to-go containers

Evening or Weekend Service Charge

We are available to cater after hours and on the weekends. There may be an extra charge for these services.
