

Silverhawk Community News

Dear CB Families,

I want to take this opportunity to thank all of our amazing families, students and staff. This has been a challenging year, but we have faced it together and I believe we have soared! Thank you families for your hard work, partnership and overall support! All of us at CB appreciate that you stayed with us, believing in us and our ability to continue to provide your child with the best learning experience. Students have been so resilient and dedicated. We are so proud of our students!

Thank you for sending your child to school on time and ready to take the AASA new state test. Students did a great job and we will use the data collected from this test to help us make instructional decisions for the next school year. The results are also used to decide our school label. We have additional district assessments May 9th—13th.

We are so excited to bring back our in-person 8th grade promotion and kindergarten graduation ceremonies. Dates and times have been communicated to families. If you did not get the information, please reach out to your child's teacher or call the school office at 623-772-2610. I wish everyone a great summer! See you next year!

*Your partner in Education,
Lori Pizzo, Principal*

We would like to congratulate Ms. Liz Canuas, 3rd grade teacher at CB! She was selected as our 2021-22 Westside Impact Teacher of the Year and will be honored at a catered breakfast with all PESD teachers of the year!

We also celebrated our amazing paraprofessional staff with a teacher hosted breakfast in their honor. We thank each of our amazing educators for their hard work, dedication and commitment to the students, staff and parents at CB!

Summer school

All of us did a great job teaching and learning this year, but we know there is much work to do to continue teaching students into the next school year. One effort to support this learning will be in-person summer school for students that qualify in grades K-3. Students will be invited based upon data collected this year. We will reach out this month to invite students. We will also offer after school tutoring again next year to support student mastery of skills and standards.

Do you know a future kindergarten student? Canyon Breeze is the educational experience for you! We are currently accepting enrollment for the 2022-23 school year. Returning students do not need to enroll again for next year. If you are on an open enrollment, you will be asked to complete the form again for approval. If you know of someone that wants to come to CB next year, please encourage them to enroll now. We determine teacher placement based on our current enrollment. Thank you so much! Here is the link to enroll:

<http://www.pesd92.org/registration.html>

We held a Spider-Verse, "Be your own hero" state test pep assembly to kick off last month's state testing and our K-2 students led a parade with Spider-Man. We raffled prizes to students and staff. It was so awesome to be back together again. Our school cafeteria is hosting spirit days. On Friday, 4/8 we held a "mood boost" day and on Friday, 4/29 we held a Harry Potter Day. Students won sunglasses, shirts and other cool prizes. Thank you Chartwells and our amazing café staff!

What's happening at CB:

We are so excited to begin boys and girls basketball for our 6th-8th graders. It has been a long and anticipated wait for our students! Games have begun! Cheerleaders have been selected, practicing and performing at basketball games! It is a great opportunity for all students! Our new PESD Esports league has begun for students in 4th-8th grades. Thank you Mr. Schaefer for hosting this activity.
