MAKE YOUR ESCAPE!

NEW FOR THE 2018-19 SCHOOL YEAR!

THE ULTIMATE

It’s the early 1900s and it’s time for school. You and your chums would rather be fishing or anything else but be in school. The teacher is a strict old bird. She doesn’t allow for any messing around. When she takes her morning break under the willow tree, you and your buddies have to find a way to sneak out before she returns in 45 minutes or you will be stuck all day doing school work.

RECYCLING PROJECT

Dr. Matos DeBlieux, known for her creative spark, shares, “I approached one of our partners, GCON, about the idea and they signed on to design and build it. Students will use our curriculum including: critical thinking skills, language arts, math and more to make learning come alive! Thankfully, along with my team, we were able to try it out and escape the bus.”

You can find out more information about the Puzzle Bus, including how you can rent it for your own events by contacting Jim Gradillas at jgradillas@pesd92.org or by calling 623-772-2292. We are currently reserving for the 2018-19 school year. Due to high interest, please be patient as we work through this exciting launch.
