January 27, 2020 - Phoenix, Arizona – Often it is challenging for parents to know where to go to get the information they need to help their children. Pendergast District is fully aware of this need and is offering a free, fun-filled day on **Saturday, February 8, 2020 from 11:00 a.m. to 2:00 p.m.** at the **Pendergast Community Center located at 10550 W. Mariposa St. Phoenix, AZ 85037.** At the Exceptional Students Resource Fair, the community can find out about assistive technology, disability awareness, parent support groups, therapy resources, community recreation/sports, and so much more.

According to Gwen Parker, Director of Special Education for the Pendergast District, “Our mission in the Special Education Department is providing access to all educational needs by embracing dignity, equity and opportunities for all. One of the ways to achieve this is to respond to parents’ needs and offer this amazing free Family Resource Fair. Families will leave with a wealth of free materials and information. We sincerely hope the community will come and see all we have to offer and how we can focus on the needs of their children to help them succeed.”
