

# Rio Vista Elementary School

## Continuous School Improvement Plan Overview

**School Vision & Motto**  
**Mustang Success....Nothing Less!!!**

**Mission Statement**  
**Rio Vista provides a quality education in a compassionate, respectful, and collaborative environment where all students grow and become life-long learners.**

**School Goals**

**Reading:** Rio Vista school will increase the percentage of students meeting or exceeding on the Galileo Reading Assessment from 30% on the pretest to 40% on the post test.

**Mathematics:** Rio Vista will increase the percentage of students meeting or exceeding on the Galileo Math Assessment from 35% on the pretest to 45% on the post test.

**Writing:** Rio Vista will increase the percent correct on the Galileo Writing Assessment from 43% on the pretest to 53% on the post test. Rio Vista will also increase the average sum on the Galileo Writing Assessment from 5.4 on the pretest to 7 on the post test.

### STRATEGIES

<b><u>Reading</u></b>	<b><u>Mathematics</u></b>	<b><u>Writing</u></b>
<p><b>Teachers will...</b></p> <ul style="list-style-type: none"> <li>• Receive training on small-group instruction</li> <li>• Assess students frequently reading fluency and comprehension</li> <li>• Use Houghton Mifflin Journeys and EngageNY-English Language Arts as a curricular resource</li> </ul> <p><b>Students will...</b></p> <ul style="list-style-type: none"> <li>• Improve on their reading fluency and comprehension</li> <li>• Be provided with intervention to address deficits in reading and to enrich students reading at grade level</li> </ul> <p><b>Families will...</b></p> <ul style="list-style-type: none"> <li>• Provide encouragement and support that inspires their students to excel in school</li> </ul>	<p><b>Teachers will...</b></p> <ul style="list-style-type: none"> <li>• Receive training on implementation of math curricular resource-EngageNY</li> <li>• Assess students using daily exit slips, mid/end module assessments, and Galileo quizzes/tests.</li> <li>• Provide small-group instruction</li> </ul> <p><b>Students will...</b></p> <ul style="list-style-type: none"> <li>• Use inquiry and problem solving skills in real-life applications</li> <li>• Build fluency in math facts</li> <li>• Learn various methods to approach a math problem</li> </ul> <p><b>Families will...</b></p> <ul style="list-style-type: none"> <li>• Provide encouragement and support that inspires their students to excel in school</li> </ul>	<p><b>Teachers will...</b></p> <ul style="list-style-type: none"> <li>• Receive training and implement the Writer’s Workshop method of instruction.</li> <li>• Provide feedback and conference with students about their writing.</li> </ul> <p><b>Students will...</b></p> <ul style="list-style-type: none"> <li>• Write daily throughout all content areas</li> <li>• Use Thinking Maps to organize their thoughts.</li> <li>• Provide published work</li> </ul> <p><b>Families will...</b></p> <ul style="list-style-type: none"> <li>• Provide encouragement and support that inspires their students to excel in school</li> </ul>
