SchoolStore Fundraiser

Thank you to all the families who have already participated in our SchoolStore fundraiser! We are on our way to reaching our goal, but we need everyone's help to make sure our teachers get the essential tools they need to help our students succeed. If your family has not participated, there's still time!

This safe and easy fundraiser is 100% online so there is no face-to-face selling, collecting money, or delivering products. Your child will receive a prize just for participating, and more prizes will be awarded when goals are reached.

Please help now. It really will make a difference.

Go to <https://www.schoolstore.net/sid.t?0000363459> to show our valued teachers your support.

P.S. Family participation is the key to our success, and we are counting on you!

COVID Pool Testing continues at Sonoran Sky

The best way families can support school testing is to provide their consent to allow their student to participate. Working together, schools and families can be advocates for community wellbeing; participating in pooled testing empowers you with data that can help safeguard the health and wellbeing of teachers, students, and your community. Permission slips for COVID Pool Testing are available in the front office.
