Westwind News

Hello Wildcats!!

December 2021 is here and the end of the first semester is quickly approaching. We would like to thank our families for partnering with our amazing teachers and instructional staff to ensure that our children receive the educational experience possible. With our continued partnership, communication and collaboration our Westwind children will make the educational and social emotional gains necessary to be their best self. We look forward to working with our families in 2022!

Happy Holiday to all our families!!

Here at Westwind we take pride in our families and students’ success in and out of school! We also understand that our families at times face difficult challenges which may affect our students at school. We want to remind you that we are here to help and support our students and families. In an effort to do so we are excited to inform you that we have created a **Family Resource Room** where we have different items available to assist our students and families with basic need items. **be respectful**

Social awareness involves being RESPECTFUL of the people around us, both within our homes and communities. When you practice social awareness and being respectful, you know that not everyone sees the world the same way or experiences the same things in their lives, and continue extending kindness to those around you.
