

WESTWIND WILDCATS

May 2022

Westwind News

Hello Wildcats!!

The final month of the 2021-2022 school year is here and we can't believe how quickly the year has gone by. As we look forward to the last month of school we have much to celebrate. Our students have made much progress academically and socially this school year. We look forward to seeing their academic results following the IlluminateEd DnA Benchmark testing that will happen the first weeks of May. Please encourage your children to continue to be persistent in their academics as the year comes to an end. Additionally, we look forward to our Westwind Promotion Ceremonies for our Kindergarten and 8th grade students. Please contact your child's homeroom teacher with questions about the ceremonies.

Thank you for your continued participation and support in your child's education.

Your Administrative Team,

Mr. Rod Henkel, Principal

Mrs. Crista McGee, Assistant Principal

Ms. Christina Delval, Dean of Students

Please notify the school office of absences on a daily basis.

Westwind Office: 623-772-2700

Westwind Attendance: 623-772-2705
